AMORE ITALY

All-Inclusive & Much More...

with Women of the Midwest

June 15-24, 2027

Dear Friends,

I have been to Italy before, and I simply cannot get enough of it. The food, the people, the history, the beautiful hill towns, the long lunches, the wine, the art—and that wonderful Italian way of making even the simplest moments feel special. Every time I leave, I find myself wondering when I can go back.

Well, I'm going back—and this time, we're doing Italy differently.

Amore Italy is something brand new for Women of the Midwest. Imagine traveling with only six travelers, our own private driver, beautiful experiences already arranged, and the freedom to slow down and truly enjoy where we are. No rushing from hotel to hotel. No worrying about the details. Just arrive, unpack, exhale, and let Italy take care of the rest.

We'll make the medieval hill town of Montone our home for six nights and settle into the Italian way of life. We'll sip Umbrian wines, enjoy a massage, watch artisans paint Deruta ceramics, taste chocolate in Perugia, float above the countryside in a hot air balloon, hunt for truffles, cook together, eat pizza in the piazza, and even have an entire day with nowhere we have to be.

It has all the makings of a good old-fashioned "good time had by all"—with a little Italian *amore* added in.

Then we'll say arrivederci to Umbria and make our way through Siena to Florence for two wonderful nights, ending our adventure surrounded by Michelangelo's David, beautiful shops, delicious food, and a special farewell at historic Caffè Gilli.

For me, that's what makes Amore Italy so exciting. We're not trying to see everything. We're giving ourselves permission to enjoy everything. Come enjoy Italy with me. With only six of us, I know this is going to be something very special.

With Amore,
Lisa Anderson, Ambassador

Laid-back Coziness

Why Amore Italy?

At Women of the Midwest, we've always believed that the best journeys are shared—thoughtfully planned, unrushed, and rooted in connection. For years, we've been known for our small-group experiences, bringing women together to explore the world with confidence, comfort, and camaraderie. That belief will never change. But now, we're excited to introduce something entirely new.

Amore Italy is our most personal journey yet—a custom-tailored, all-inclusive experience designed for just six travelers. It's a concept we haven't seen anywhere else, created for women who want the intimacy of traveling independently with the ease and care of a fully hosted journey. Every detail is thoughtfully arranged, so you can simply arrive, exhale, and enjoy.

Amore Italy represents a moment to reset, reconnect, and indulge in the slower, sweeter rhythm of Italian life—where every detail is taken care of, and nothing feels rushed or overwhelming. Discover Italy the way it was meant to be experienced: with friends, freedom, our Ambassador, and a private driver leading you through the heart of the country. Designed exclusively for travelers who want the best of Italy without the crowds, this journey offers a private, all-inclusive experience.

No stress. No surprises. Just the joy of Italy, exactly as it should be.

Now, *that's* Amore.

Traveling to Italy

Your Italian adventure begins today as you depart from your selected U.S. gateway on an overnight flight to Rome. Sit back, relax, and look forward to the unforgettable experiences awaiting you in the heart of Italy.

June 16, 2027 – Wednesday

Benvenuti in Italia — Terni & Montone

Upon arrival at Rome Airport, our private driver will be waiting to welcome us, and our Italian adventure begins. Leaving Rome behind, we travel north into the beautiful Umbrian countryside, stopping in Terni for a leisurely lunch before continuing to Montone, the medieval hill town that will become our home for the next six nights. Upon arrival at the hotel, unpack, unwind, and settle in. There is no sightseeing schedule today—simply time to relax after your transatlantic journey and begin embracing the slower rhythm of Italian life. This evening, gather at the hotel for a relaxed welcome with Italian cold cuts and local wine. Nothing elaborate is needed tonight. Good food, a glass of wine, and the pleasure of knowing that tomorrow there is no need to pack another suitcase. Welcome to Umbria. Welcome home.

June 17, 2027 – Thursday

Sip, Savor & Relax

There is no alarm clock necessary this morning. Sleep a little later, linger over breakfast, and enjoy your first leisurely morning in the Umbrian countryside. Around 11:00 AM, we visit Cantina Blasi, where wine and food offer a delicious introduction to the region. Taste the family's wines, learn about their winemaking traditions, and settle in for a leisurely lunch celebrating the flavors of Umbria. Then we return to the hotel for an afternoon devoted to something equally important—relaxation. Enjoy your included massage or spa treatment, put your feet up, or simply savor the pleasure of having nowhere else you need to be. This evening, we make our way inside the city walls of Montone for dinner at L'Antica Osteria, where authentic regional cuisine and warm Umbrian hospitality provide a delicious ending to our first full day in Italy.

June 18, 2027 – Friday

Deruta Ceramics, Perugia & Chocolate

Today brings together three things Italy does particularly well—beautiful craftsmanship, fascinating history, and chocolate. We begin in Deruta, a town celebrated for centuries for its colorful hand-painted ceramics. Here, local artisans introduce

us to the traditional techniques and intricate craftsmanship behind the distinctive majolica pottery for which Deruta is famous. Watch skilled hands at work, admire the beautiful designs, and perhaps find a special piece to bring home. After lunch, we continue to Perugia, Umbria's historic capital. We'll enjoy an orientation tour through its medieval streets and elegant piazzas while discovering some of the stories behind this fascinating hilltop city. And then—chocolate. We visit Città del Cioccolato, Perugia's Chocolate Museum, for a delicious look at another tradition closely associated with the city. Later, we return to Montone, where a relaxed barbecue dinner awaits us at the hotel.

June 19, 2027 – Saturday
Above Umbria — Assisi & Pizza in the Piazza
Rise early this morning for an experience you won't soon forget—a hot air balloon flight over the Umbrian countryside. As we float gently above rolling hills, vineyards, olive groves, and medieval villages, Umbria unfolds beneath us in all its quiet beauty. After landing, celebrate the morning with a winery breakfast and tasting. Next, we continue to beautiful Assisi. With our local guide, we'll discover this remarkable medieval town and its fascinating history before having time on our own to wander, browse the shops, find a café, or simply enjoy the atmosphere. This evening, we return to Montone for one of life's simplest—and perhaps happiest—Italian pleasures: pizza in the piazza. No ceremony. No fuss. Just pizza, conversation, and village life unfolding around us. Now, that's Italy.

June 20, 2027 – Sunday
Truffles, a Picnic & Hands-On Cooking
Today, we discover Umbria through its land, its traditions, and—of course—its food. We head into the countryside for a traditional truffle hunt, joining an experienced truffle hunter and his specially trained dogs as they search for one of Italy's most prized culinary treasures. Along the way, learn about this centuries-old tradition and the remarkable relationship between the truffle hunter, the dog, and the land. After our hunt, it's time for a picnic featuring local specialties. Later, we roll up our sleeves for a hands-on cooking experience at our hotel. Discover traditional recipes and techniques as we prepare our own Italian specialties before gathering around the table to enjoy what we've created. A good time had by all.

June 21, 2027 – Monday
A Day to Call Your Own
By now, Montone is beginning to feel a little like home. And today, there is nowhere you have to be. Sleep in. Linger over breakfast. Enjoy the hotel's facilities. Wander through Montone's medieval lanes, browse a little shop, or simply settle somewhere with a beautiful view and watch Italian life go by. Want to venture a little farther? Your private driver is available today, giving you the freedom to explore. Lunch and dinner are included, but otherwise, the day belongs entirely to you. There is something wonderfully indulgent about having time with no agenda—especially in Italy.

June 22, 2027 – Tuesday
Tuscany — Siena to Florence
After breakfast, it's time to say arrivederci to Montone. We check out of our Umbrian home and travel into neighboring Tuscany, where beautiful Siena awaits. With our local guide, we'll enjoy an orientation tour through Siena's wonderfully preserved medieval center. After our tour, settle in for a leisurely lunch in Siena before continuing through the Tuscan countryside toward Florence, the birthplace of the Renaissance. Upon arrival, check into our hotel and enjoy time to unpack, relax, and get acquainted with our new surroundings. Tonight, we'll gather for dinner in Florence and toast the beginning of our final chapter in Italy.

June 23, 2027 – Wednesday
Florence deserves a day of its own—and today, it has one. This morning, our local guide leads us on an exploration of the historic center, bringing the people, stories, art, and architecture of Renaissance Florence to life. A highlight awaits inside the Galleria dell'Accademia, where we come face-to-face with Michelangelo's David. Then we celebrate our journey with a special farewell lunch at historic Caffè Gilli, a Florentine institution with roots stretching back centuries. Over delicious food and good conversation, we'll raise a glass to our days together and all that we've experienced. The rest of the afternoon is yours. Browse Florence's boutiques, find one last treasure to take home, enjoy an espresso or gelato, revisit a favorite piazza, or simply wander. This evening, we gather once more for an early, light dinner before returning to our hotel to pack. One last evening in Florence. Enjoy every minute.

June 24, 2027 – Thursday
Arrivederci, Italia!
We will transfer to Rome for our journey home. Our suitcases may be a little fuller, but so are we—with memories of Umbrian villages, family wines, hand-painted ceramics, Italian cooking, beautiful Assisi, medieval Siena, and Renaissance Florence. Perhaps that is the magic of Amore Italy. We didn't just see Italy. For a little while, we lived it. Arrivederci, Italia!
