Slow-paced Alpine Hiking Tour

with Women of the Midwest

June 15–24, 2027

Dear Fellow Travelers,

Have you ever dreamed of walking through Switzerland's magnificent Alps, surrounded by snowcapped mountains, flower-filled meadows, and scenery so beautiful it almost doesn't seem real? Well, here's our chance!

I am absolutely delighted to invite you on a very special adventure—discovering Switzerland, one beautiful step at a time!

This is not your ordinary sightseeing tour. We've created a wonderful journey for women who love being outdoors, appreciate breathtaking scenery, and enjoy exploring at a comfortable, unhurried pace. Imagine following alpine trails with magnificent views of the Eiger, Mönch, and Jungfrau, discovering charming mountain villages, and enjoying a delicious Swiss cheese fondue surrounded by some of the world's most spectacular scenery.

We'll visit the famous Jungfraujoch, discover the magic of Zermatt beneath the legendary Matterhorn, and wander through alpine meadows filled with wildflowers. We'll even explore a magnificent medieval castle overlooking Lake Geneva before discovering the delightful cobblestone streets and historic treasures of Bern.

And here's what I love most about this adventure: We'll have time to stop, admire the views, take photographs, share a laugh, and simply enjoy being together. Of course, there will be some uphill climbs and downhill stretches, but that's all part of experiencing Switzerland's extraordinary mountain landscapes!

As your ambassador, I can't wait to share these beautiful experiences with you. Because the best journeys aren't just about where we go. They're about the friendships we make, the laughter we share, and the wonderful memories we bring home.

So, ladies, lace up those hiking shoes, bring your sense of adventure, and come along!

With warmest wishes,
Carol Ann Condon
