Paris and Normandy River Cruise

Through the Eyes of a Woman!

April 22 - May 2, 2019

Dear Women of Nebraska,

Join me on a once-in-a-lifetime journey to Northern France! Join our exceptional Paris-Normandy river cruise on board the deluxe AmaLyra of AmaWaterways along the Seine River and through the heart of Normandy.

With a capacity of 74 outside staterooms only, this cruise gives us the private feeling we are looking for. Our 11-day tour begins in Paris, the City of Light, with its iconic landmarks, aristocratic lifestyle, romantic ardor, architectural splendor, animated sidewalk cafes and, world-class fashion and shopping.

Ahead of us awaits Monet's Gardens in Giverny and Rouen's Cathedral of Notre Dame. The charming harbor town of Honfleur will inspire you the same way as they inspired the great Impressionists. We will get to see some of these very same places and landmarks that the Impressionist Masters captured on canvas at the Musée d'Orsay, during our stay in Paris.

For an inspiration of a different kind, we travel the "Routes des Abbayes" (Route of the Historic Norman Abbeys), visiting some of the most magnificent monasteries, and to the unforgettable beaches of Normandy where Allied forces landed during WWII's D-Day invasion. We reflect on the "longest day" and honor the sacrifices made in changing history not once, but twice.

We will relive the grandeur of royalty at Château Malmaison, the former home of Napoleon and Josephine Bonaparte, and at Chateau de Bizy, once referred to as "the Versailles of Normandy." Blend a passion for the good life with culture, art, architecture and timeless landscapes, and you have Northern France!

Come, join me! Solo or two-by-two!

Sincerely,

Sally Dunham

Our wonderful adventure begins as we take an overnight flight to Paris. Enjoy in-flight entertainment and meal service as you start your dream vacation.

Tuesday, April 23, 2019 - Paris

Welcome to Paris! We meet our private tour guide upon arrival at the airport and take a short drive to the western suburbs of Paris, to The Palace of Versailles.

This UNESCO World Heritage Site and residence of the Sun King, Louis XIV, is by far the most opulent of all castles you will ever see! The building spreads over 720,000 sq. ft and has 700 rooms. Our visit starts with Versailles' most impressive and sumptuous rooms: the king and queen's state apartments and the famous "Hall of Mirrors." We will have time to enjoy the gardens and lunch, before we transfer to our centrally located hotel. Time to relax and unwind. B (during flight) | L

Wednesday, April 24, 2019 - Paris

This morning we will enjoy a morning tour of Paris, taking in all its iconic sites. Later in the day, visit Montmartre, long known as the city's premier artist's enclave. During the mid to late 1800s, artists also began calling Montmartre home. Pissarro and Jongkind were two of the first to live there, followed by other notable artists, including Edgar Degas, Henri Matisse, Toulouse-Lautrec, Pierre-Auguste Renoir and Pablo Picasso. For easy access to Montmartre, hop aboard the funicular railroad that ascends the hill. Montmartre's most recognizable landmark is the Basilica du Sacré-Coeur, constructed from 1876 to 1912. The white dome of this Roman Catholic basilica sits at the highest point in the city. After our visit to Montmartre, we will be taken on an illumination tour, discovering why Paris is renowned as the "City of Light." B

Thursday, April 25, 2019 - Paris - Embarkation

After checking out of our hotel, we will visit one of the world's most

renowned museums, the Musée d'Orsay. Housed in the train station building, constructed by Victor Laloux for the 1900 World Fair, the Orsay is a national museum devoted to all the arts between 1848-1914. The various artistic movements represented include; Academism, Realism, Impressionism, Symbolism and Art Nouveau. Among the featured artists are; Cézanne, Courbet, Daumier, Degas, Gauguin, Manet, Millet, Monet, Pissarro, Renoir, Rodin, Seurat, Sisley and Van Gogh. We transfer to our ship, the AmaLyra, for embarkation and to enjoy our welcome dinner aboard. B | D

Friday, April 26, 2019 - Les Andelys

Uncover the history of Château Gaillard, the former stronghold of Richard the Lionheart, situated on the chalk cliffs high above the Seine, on a tour. Or, if you prefer a more active adventure, you can hike there from the banks of the Seine, admiring the scenic views along the way. For those who wish to explore the area on two wheels, join a guided bike tour through the charming town of Les Andelys.

After our adventures, we set sail along the meandering Seine, enjoying the beautiful views of the Seine Valley's dramatic white cliffs and centuries-old half-timbered houses. B | L | D

Saturday, April 27, 2019 - Le Havre

Today you will have several different choices of excursions, both during the morning and afternoon, depending on your interests. You can choose between a full-day excursion to the seaside town of Honfleur, renowned for its picturesque harbor, and for being an inspirational site for Impressionist painters; or enjoy a half-day excursion here that includes a Market visit and free time. You also can split your day between Honfleur and the delicious Pays d'Auge region of Normandy, where apple cider, Calvados and Pommeau outrank French wine. This excursion includes a scenic coastal drive through Beaufort-en-Auge and Pont l'Évêque with a Calvados tasting. During the afternoon, you can join a city tour of the UNESCO-designated Le Havre. Alternatively, you have the choice to visit Etretat, where nature has carved fabulous shapes

out of the white cliffs and was the inspiration for many Impressionist artists. Should you wish to get more active, you can go on a bike tour to Le Havre. B | L | D

Caudebec-en-Caux - Normandy Beaches

Experience the Normandy region with one of three tours.

For those wishing to go to the American sector of the historic Normandy Beaches, you will visit the cemetery at Colleville-sur-Mer, Omaha Beach, the artillery battery at Longues-sur-Mer and the village of Arromanches, where the remains of the floating harbor used during the WWII landings can be seen.

If you prefer, you can tour the Gold and Juno beaches in the British and Canadian sectors, where you will visit Ranville Cemetery, Pegasus Bridge, the Canadian cemetery at Beny-sur-Mer, the WWII museum in Courseulle and finally Arromanches.

If you wish to experience a different kind of inspiration, the Romanesque Normandy Abbey Route will take you to the magnificent historic abbeys of the region, or journey back in time with the interactive exhibits and vessels at the Seine Museum. B | L | D

Monday, April 29, 2019 - Rouen

Spend the morning enjoying medieval Rouen with a choice of three excursions.

Join a walking tour past the imposing Notre Dame Cathedral, painted numerous times by Monet, and see the square where Joan of Arc was martyred, as well as the Medieval Quarter and Great Clock.

For those who wish to be more active, you can join a biking or hiking tour around the city. Later in the day, you can explore the Jewish area of Rouen; or go on the "Tastes of Normandy" tour, where you'll be treated to the delicious flavors of the region, including chocolate, cheese and cider. Tuesday, April 30, 2019 - Vernon

In Vernon, you will have a choice of three excursions, depending on

your interests. Visit Claude Monet's home and gardens in Giverny. Art lovers will immediately recognize images immortalized in Monet's most beloved paintings-such as water lilies, Japanese bridges and graceful willow trees. Wander around his famous gardens and home where he lived for more than four decades. Alternatively, visit the regal 18th-century Château de Bizy, inspired by the opulence of Versailles and enjoy an escorted tour of the palace and gardens. If you prefer a more active adventure, go on a guided bike tour, taking in the beautiful French countryside. B | L | D

Wednesday, May 1, 2019 - Conflans - Paris

Do not miss our visit to Château Malmaison, the former home of Napoleon and Josephine Bonaparte. You'll learn what life was like for the Bonapartes and how Josephine endeavored to transform the large estate into "the most beautiful and curious garden in Europe." Alternatively, travel to Auberge Ravoux in the heart of Auvers-sur-Oise, the last home of artist Vincent van Gogh. His spirit still lingers in his former attic rooms at the Ravoux Inn. The mere 70 days Van Gogh spent in Auvers-sur-Oise were astonishingly prolific as he painted more than 70 works here before his death.

You can also choose to pedal through the city of Conflans. Later in the day we set sail for Paris. B | L | D
