Great Trains & Grand Canyons!

with Women of the Midwest!

February 12-17, 2023

Dear Women of the Midwest,

All aboard! Join me for a GRAND adventure to one of Mother Nature's GREATEST ... The Grand Canyon! One of the Seven Natural Wonders of the World, it is known as a world premier natural attraction and is lauded for its vast size, visually overwhelming colors, and unique landscapes that have been carved out by the Colorado River since time began!

And along the way we will take a step back in time as we experience a mixture of history, cultures, and historical treasures, such as the Montezuma Castles - a 5-story, 20-room cliff dwelling, built 100 feet above ground over 600 years ago by the Sinaqua people. We will explore the old mining town of Jerome, AZ, that once thrived in the early 1900's, and became a veritable ghost town by mid-century. It is now a restored community, comprised of artists, writers, crafters, unique boutiques, wine bars, quaint dining spots and amazing views.

And no need to pack and unpack bags every night - we will be staying all five nights in an upscale resort in Sedona - a virtual oasis in the deserts of Arizona! The town has beautiful views of canyons and red-rock formations. A trolley tour will take us to many interesting locations including the Church of the Holy Cross, which is built into a mountain! In uptown Sedona, we will venture into an old Spanish/Mexican Village which is filled with artists, sculptors, artisan jewelry and boutique shopping.

If you would love to experience the travel of days gone-by, we have just the ticket for you. We will travel first-class in historic style on two fully-restored, vintage trains - Grand Canyon Railway and The Verde Canyon Railroad! Both will prove to be a relaxing way to travel as you take in the spectacular views of nature's wonders. So as you mull over the adventures that await you on this amazing historical trip, I will leave you with this quote:

"Be like a train; go in the rain, go in the sun, go in the storm, go in the dark tunnels!

Be like a train; concentrate on your road and go with no hesitation!" Mehmet Murat Ildan

Come join me, solo or two-by-two with no hesitation on Great Trains & Grand Canyons!

Sincerely yours, Sally Dunham

Tuesday - Grand Canyon

We begin an unforgettable day with a drive

through amazing Oak Creek Canyon, a sixteen mile long stretch known for its spectacularly colored white, yellow and red cliffs dotted with pine, cypress and juniper. We arrive in Williams to board the Grand Canyon Railway for a nostalgic two-hour train journey. Comfort abounds as fresh fruits and snacks are provided during the trip in our air-conditioned streamliner cars. The ride will deliver us to the awe-inspiring South Rim of Grand Canyon National Park for free time and lunch on your own. The Grand Canyon's dynamic colors and textures inspire reflection of nature's power and beauty. Later we board our motor coach to see the Grand Canyon from other points of interest. Arrive in historic and charming Flagstaff, named after a ponderosa pine flagpole made by a scouting party from Boston to celebrate the United States Centennial on July 4, 1876. Dinner is served at lively Black Bart's Steakhouse & Saloon. After a hearty dinner we return to Sedona.

ruins of a cliff dwelling built in the 12th and 13th centuries by the Sinagua Indians. This 20 room high-rise apartment, nestled into a towering limestone cliff, tells a story of ingenuity, survival and ultimate prosperity in an unforgiving desert landscape. We continue with a visit to the old mining town of Jerome, once a virtual ghost town, but now restored with shops, museums and art galleries. We then travel to Clarkdale to board the Verde Canyon Railroad, also known as the Wilderness Train. The casual grace of train travel never goes out of style and from the moment you step aboard the fully-restored vintage train, you are whisked back to a time of luxurious and leisurely train travel. This heritage railway is operated as a living history to re-create the railway scenes of the past and our four-hour excursion takes us on a 20-mile journey, through 100 years of history between two national forests, past crimson cliffs, over old-fashioned trestles and through a 680-foot tunnel. Enjoy the open-air viewing cars and the panoramic windows and living room-style seating. Champagne is served upon departure, with light snacks along our journey. We return early evening to Sedona. **B | S**
