NEW ENGLAND COASTAL DELIGHTS

with Women of the Midwest

October 14-20, 2023

Dear Women of the Midwest,

New England, here we come!

Landscapes, lighthouses, lobsters ...scenic journeys, a Casco Bay cruise, a lobster boat cruise, a visit to a maple sugar house, and Coastal Maine Botanical Gardens ...it doesn't get any better than this!

Delightful days await as we tour and experience one of my favorite corners of the United States. And at this time of the year, we will take in the most beautiful fall foliage views. Quaint villages will pop in front of us like pearls on a string, and we will even get to enjoy Boston for a day.

If you are a foodie, this trip will satisfy your palate. From delicious Beacon Hill chocolates to some of the highest quality maple syrup. Lobster rolls, clambake, chowder, cream pie, and ...you name it ...we will taste it all.

We base ourselves in the picturesque Kennebunkport area and don't need to pack and unpack more than once during this trip. This way, we can focus on just enjoying the fun company of our fellow travelers and the delightful sceneries.

Maine, known for its beaches, including long, sandy Goose Rocks Beach and the smaller Arundel Beach. St. Ann's Episcopal Church is worth a visit with its rustic stones on grassy grounds with ocean views.

Come join me, you won't regret! This is a great trip to enjoy with girlfriends, or make new friends – even share a room with a new friend – we will introduce you ahead of time.

Sincerely,

Sally Dunham

Ironsides. As a great souvenir, bring back home a beautiful box of artisan Beacon Hill chocolates. Next, we will enjoy a guided tour of historic Fenway Park, the soul of our “national pastime” for many. Fenway is America’s oldest ballpark and home of the Boston Red Sox since 1912. Past glories come alive on a walking tour of the stadium that may include some of its most famous landmarks, such as the Triangle, Pesky’s Pole and the legendary Green Monster of left field. We will also visit the Faneuil Hall Marketplace, located in downtown Boston near the waterfront and originally gifted to the city in 1742. You will have free time to shop and enjoy lunch on your own. This afternoon, we will take in the natural beauty of the New England coastline as we travel north towards Maine with a photo stop in the picturesque coastal town of Portsmouth, New Hampshire. Later in the day, we travel to Coastal Maine with its sandy beaches, beautiful landscapes, quaint villages and lighthouses. We check-in for a five-night resort stay and enjoy a New England welcome dinner. **B | D**

Portland Maine

After a hearty breakfast, this morning we travel north to Portland, Maine’s largest city that sits on a peninsula jutting out into beautiful island-filled Casco Bay. Enroute, we stop at Len Libby’s Candies in Scarborough, to sample treats and meet Lenny, the world’s only life-size chocolate moose! We will enjoy a scenic Casco Bay Cruise to see lighthouses, forts, lobster boats, and seals. Visit the Victoria Mansion, also known as the Morse Libby House, the nation’s premier showpiece of Victorian architecture. We will enjoy some leisure time in Old Port Historic District before heading to Cape Elizabeth for a visit of the Portland Head Lighthouse and Museum, one of America’s oldest and most photographed lighthouses. Return to Kennebunkport for an evening at leisure. **B**

In Kennebunkport, we will see the Wedding Cake House, an over-exuberant version of gingerbread Victorian architecture and the most photographed house in Maine. We will visit the Seashore Trolley Museum, the oldest and largest electric railway museum in the world. And no visit to Kennebunkport would be complete without taking in the view from Walker's Point, the longtime summer retreat of George H.W. Bush and family. In the seaside village of Ogunquit, take a leisurely stroll along Marginal Way, a one-and-a-quarter mile walking path that winds along the town's rocky shore and offers dramatic iconic views of the craggy Maine coastline leading to quaint Perkins Cove. Later in the day, we board a lobster boat where a local lobsterman takes us out into the harbor aboard his working boat for an authentic, hands-on experience in the lobstering trade with a lobster haul. In nearby York, we will take in breathtaking views of the Cape Neddick Lighthouse, commonly known as Nubble Light. And to top off our day, we will savor a traditional lobster clambake - it's time to try some delicious Maine lobster! **B | D**
