

WOMEN OF THE MIDWEST
Travel Solo Together

NEW YORK CITY

with Women of the Midwest

November 19-23, 2025

Dear Women of the Midwest,

I invite you to join me on a fun-filled, custom-tailored tour to the Big Apple!

Our journey begins with a panoramic view of the city. It also includes an exceptional Broadway show of your choice, the Radio City Christmas Spectacular and a behind-the-scenes tour of Radio City Music Hall, a Staten Island Ferry cruise around the waterways surrounding lower Manhattan, a visit to Grand Central Station, the 9/11 Memorial and Museum, and plenty of time for you to explore on your own.

Eight million residents and a five-borough spread make New York one of the most kaleidoscopic cities in the world. The culinary culture is as vibrant as you would expect: a total mix of multiethnic delicacies sold by vendors on every corner, Michelin Star restaurants, diners, craft cocktail joints, and infamous dive bars. Bicycle through the city, visit the best museums in the world, or simply "shop until you drop!" - the possibilities are endless!

New York's dynamic arts community, anchored by Broadway and the Metropolitan Museum of Art, provides extensive entertainment. At the same time, shopping ranges from high-end boutiques to handcrafted goods sold at neighborhood flea markets. What's not to love?

And finally, it's that time of the year! The store-front windows have started decorating for Christmas!

Join me, solo or two-by-two; take a bite of the Big Apple with Women of the Midwest!

Sincerely yours,
Roni Thramer

Come Along for a Stroll!

**November 19, 2025
Wednesday**

Our wonderful journey begins as we fly to the Big Apple, New York City.

Upon arrival, we will be greeted by our Women of the Midwest Ambassador, who will travel alongside us throughout the days in New York City.

We will board our private motor coach with our local tour guide for a panoramic city tour of Manhattan. We will pass by Central Park, drive down 5th Avenue, swing by Battery Park with a view of Lady Liberty, and finally, take a short walk on Brooklyn Bridge.

Bagels, Anyone?

Show Time!

Our guide will share all the inside secrets about this amazing city with us. A lunch box is provided during the tour.

In the late afternoon, we will check in to our Midtown hotel, one step off Times Square.

The evening is yours to unwind and relax, stroll, and enjoy the stunning lights of the bustling neighborhood. L (boxed)

Thursday**

We will enjoy breakfast and then meet with our tour guide to head out by foot to experience Bryant Park, the location of the Public Library. We will enjoy a visit, including seeing the original stuffed animals that inspired the Winnie-the-Pooh stories.

A few blocks further down is Grand Central Station. This place is "Grand" by all means; you will love the myriad things to taste, touch, hear, and smell in Grand Central Terminal. But for a truly remarkable experience, we will head to the Main Concourse, stand still, and look up at the zodiac mural on the ceiling, one of New York City's most beloved public art pieces. Relax and let the others rush to catch the train! After a quick lunch, we will catch the Subway and head to Ground Zero for a guided tour of the 9/11 Museum and Memorial.

Our tour guide will escort us back to our

Say "Cheese" ...Cake!

hotel. Tonight, enjoy a Broadway show of your own choice. Most shows start at 7:00 or 8:00 PM. B

**November 21, 2025
Friday**

Breakfast is included and enjoyed with your fellow travelers.

After breakfast, we will meet with our tour guide to take a 15-minute walk to Radio City Music Hall for a guided insider's look at this legendary place. Upon opening its doors for the first time on a rainy winter's night in 1932, the Radio City Music Hall was proclaimed to be so extraordinarily beautiful as to need no performers at all. The first-built component of the massive Rockefeller Center, the Music Hall, has been the world's largest indoor theater for over eighty years. We will discover its art-deco masterpieces, learn the secrets of the Great Stage, and meet a Rockette. At the end of the tour, we will enjoy the Spectacular Christmas Show; it's ...spectacular!

We are just around the corner from St. Patrick's Cathedral. Join our tour guide and visit the Neo-Gothic-style Roman cathedral, a prominent landmark of New York City.

We will return to our hotel on foot, and the remainder of the afternoon is at leisure.

In the evening, we will meet up to join our tour guide and take a Subway ride to

Grand Central Station

Staten Island Ferry for an unforgettable evening panoramic lights-of-Manhattan tour. Enjoy! B

November 22, 2025 Saturday

Breakfast is included and enjoyed at your own pace.

A day at leisure awaits. Less than half an hour from our hotel, you can step into one of the coolest markets in the world, the Chelsea Market in the Meatpacking District. It's impossible to visit New York without doing at least a little bit of shopping. Whether you're looking to purchase or casually stroll through, this urban shopping mall has everything you want to see, from groceries to flea markets. Walk through Chelsea Market to experience unique shops and culturally diverse restaurants, and make dessert stops. This is a great place to snap a picture under an archway lit with thousands of white string lights, grab a bite to eat, and buy creative knick-knacks and memorabilia.

The Meatpacking District is a hip commercial area on the far west side. It is home to the Whitney Museum of American Art, high-end designer clothing stores, and a stretch of the High Line, an elevated park built atop former railroad tracks. At ground level, the cobblestone streets are filled with trendy restaurants and clubs that have taken over the cavernous spaces once occupied by the

Remarkable Radio City

namesake meatpacking plants.

If you love to walk, we highly recommend returning to the hotel via the High Line. Once destined for demolition, luckily, the community rallied together to repurpose it instead, creating the park you can experience today. But the High Line is more than a park - it is a public space where you can view art, walk through gardens, enjoy a performance, savor delicious snacks, or just people-watch while enjoying a unique city perspective. Built on the historic, elevated freight line, the High Line is really a wonderful place to stroll. To walk the entire length (1.45 miles) takes around 30 minutes.

If you love museums, the MET (Metropolitan Museum of Art) is *the* place to visit. Don't forget the gift shop; it's probably the best museum shop in the world!

Tonight, we meet for a fun farewell dinner at a nearby recognized restaurant. Cheers to our group and the greatest bite of the Big Apple! B | D
