Greece - Eat, Live, Love!

By: Trish (Patricia) Petersen

In May 2025, I decided to go to Greece. It was my first EVER international trip and first passport stamp.

I could not have chosen a better group to travel with for this new adventure in my life!
I felt so cared for and looked after!

Our guide, Vicki, was absolutely incredible with her knowledge of everything Greece, and also incredibly kind. Our bus driver while on the mainland was wonderful, and I felt so safe while he bussed us around.

We saw amazing sights, and our hotels were incredible, with fabulous morning breakfast buffets. Now, the food—oh my gosh, the food in Greece!!! I loved that most food decisions were made ahead of time and just presented to us at each absolutely gorgeous dining setting. We got to try a good variety of Greek specialties! Be prepared, they really like to feed you in Greece—the plates were always full, and the desserts were fabulous.

There was plenty of time to do shopping, and if you still had room in the belly, lots of shops with pastries and goodies. Do try a Freddo Cappuccino—I suggest it with sugar! You will be hooked!

You can't go wrong with Women of the Midwest, just do it—you won't be sorry.

Joyfully,
Trish
