

TRAVELER OF THE QUARTER

TERRILL SPENCER

Hello, Women of the Midwest!

I had dreamed of traveling overseas...to witness the beauty of Italy or Paris or who knows!

Women of the Midwest made it possible.

I had some fears mixed with my excitement, and the ladies at Women of the Midwest answered my questions and concerns so I could say yes!

Two years later, I easily said yes to another big adventure planned by Women of the Midwest, as I knew I would be taken care of! I appreciated the ease of packing my bag and knowing I didn't have to worry about details.

Highlights for me: Exploring places I would not have found on my own, some of the meals planned as part of the trip were truly special. I enjoyed mealtimes shared with the other travelers. The local guides who traveled with us each day were kind, fun, and interesting. The buses used to transport us around were very clean. Having a guide from back home brings another layer of comfort. I really enjoyed meeting the variety of ladies who went on these adventures with me.

Also, so important to me....very little decision fatigue...other than where to eat when not included, and should I buy this, will it fit in my suitcase?

To sum it up, Women of the Midwest make travel easy!

Gratefully,
Terrill Spencer
