

TRAVELER OF THE QUARTER

Washington, D.C.

MARY
MAYABB

Hello, Women of the Midwest Members!

I began my travel adventures about 3 years ago when I discovered Women of the Midwest.

A friend had seen a Facebook post from WMW and thought I might be interested. I was thrilled to see such a wide variety of trips, both domestic and international! It was really hard to pick one, but I began with Washington, DC-Cherry Blossoms (first-time visit). It was fantastic, and I truly enjoyed all the friends I made that week.

I have really been impressed with the depth of the itineraries and the attention to detail. Basically, all I have to do is pack my bag and show up! I have truly enjoyed every trip (last one made #6).

I've made some good friends and even seen some of them on subsequent trips.

My favorite trip was to Jordan/Israel (my first visit, before the current conflict). It's hard to explain, but I made a spiritual connection to my adopted homeland of Israel. Our first night in Israel, we stayed at a lovely hotel near Tiberius, and I stood on my balcony looking out to the Sea of Galilee with the lights from the city twinkling in the dark—magical!

Other trips: New England Coastal, Canadian Rockies, Historic South, and Scotland. I can't wait for my next adventure!

Joyfully,
Mary Mayabb
