IRELAND & NORTHERN IRELAND

The Grand Journey

with Women of the Midwest

September 5-19, 2026

Dear Women of the Midwest,

Are you ready for a Grand Journey? We are thrilled to return to two of our favorite destinations!

This is my dream trip to the lands of saints, fairy folk, leprechauns, and shamrocks. It is mystical, magical, and oh, so much more! Close your eyes and picture it...

Let us experience the highlights of both Ireland and Northern Ireland together on one journey as we uncover the mysteries of Newgrange, tour the capitals, and witness the Giant's Causeway, the Ring of Kerry, the Cliffs of Moher, Stone Age ruins, and quaint, colorful villages with cobblestone streets — all relaxing and exhilarating at the same time.

Envision medieval castles, ancient lighthouses, popular local pubs, flocks of roaming sheep, family homesteads, and bustling cities. Ireland and Northern Ireland are lands that mix the old with the new — the ordinary with the extraordinary.

Imagine the music, the sounds, the laughter — everyday people happily sharing their lives, their humor, their wisdom, and their talents — people with histories and dreams. Taste the local specialties, from Irish coffee to cheeses and cider, a pint of Guinness, and a traditional afternoon tea. It all sounds fabulous to me!

Top-notch accommodations will lull us to sleep after days of wandering the seemingly endless emerald countryside.

This journey is all about the above.

Please take a look at our detailed tour brochure. Once you have read it, I hope you will join me on the journey of a lifetime!

Traveling to Dublin, Ireland

Our wonderful and life-inspiring journey begins as we take an overnight flight to Dublin. Enjoy in-flight entertainment and meal service as you start your dream vacation.

September 6, 2026 - Sunday

Welcome to Dublin!

Upon arrival, we will meet our private tour guide and take a short drive to the center to enjoy a panoramic tour of the city. For such a small city, Dublin has a big past. The iconic city has survived Viking attacks, devastating fires, and even the plague. It is also the founder of one of the oldest universities in Europe, Trinity College, and is home to Ireland's legendary brew, Guinness. We will swing by the Docklands, rich in maritime history, engineering triumphs, and landmark architecture. Lunch is served at a traditional Irish pub, followed by an Irish coffee-making demonstration. Before we check-in to our centrally located hotel, we will visit Guinness Storehouse and learn all about one of the most famous breweries in the world. The remainder of the afternoon and evening are yours to explore more of Dublin. L | T

Built in honor of Ireland's patron saint, the Cathedral stands adjacent to the famous well where tradition has it Saint Patrick baptized converts on his visit to Dublin. Then, we will depart Dublin and head north. A refreshing stop is made at our favorite apple orchards for a cider tour and tasting. The family-owned farm has been growing apples for over 50 years, and all their products are 100% natural as well as gluten-free. We will learn about the different apple growing systems, and visit the apple storage facilities and cider press. Lunch at leisure at a local pub before we reach our centrally located hotel in Belfast. The remainder of the evening is yours to enjoy. B | T

Belfast

Hillsborough Castle and Gardens is a historic estate and serves as both the official residence of the Secretary of State for Northern Ireland and a royal residence when members of the British Royal Family visit the region. We will experience the castle - a grand Georgian mansion built in the 18th century - featuring staterooms that are still used today for official functions, as well as the gardens, which are some of the most famous in Northern Ireland. We will return to Belfast for an in-depth tour through the narrow streets and listen to the stories behind the murals featuring pleas for civil rights and peace and some paying homage to the British Monarchy. We will see the 25-foot Peace Walls that keep the Catholic and Protestant communities apart to this day, 25 years after the Good Friday Agreement. We will explore a side of Belfast that is as spine-tingling as it is emotional. Time for a leisurely lunch

Derry - Enniskillen Area

The walls surrounding Derry were built between 1614 and 1619 and are today considered among the finest examples of a fortified commune in Europe. We will join an expert local guide, walking a full circuit on and around the walls and exploring the unique and colorful history of Derry, including the mass emigration that saw 10 million men, women, and children leave the Emerald Isle for a new life overseas. Next is the Ulster American Folk Park, an open-air museum that tells the story of the Ulster-Scots people who emigrated to North America in the 18th and 19th centuries, with over 30 exhibit buildings to explore. We will get an insight into the lives of those who left their homes for a new life

in America, an emotional experience. Our Manor House Country Hotel is a story for itself, charming and with an elegance of a bygone era, nestled amidst breathtaking landscapes on the shores of Lough Erne. We will relax, unwind, and enjoy dinner at this beautiful property. B | D
