Travel Solo Together

GROUNDED KAUAI, HAWAII

with Women of the Midwest

January 11-17, 2027

Dear Women of the Midwest,

This journey to Kauai is more than a getaway—it is an invitation to slow down, reconnect, and become grounded in what truly matters.

Together, we will step away from the noise of everyday life and into a supportive space designed to foster personal growth, meaningful connections, and fresh perspectives. Surrounded by stunning natural beauty, we will learn practical tools to help you feel more present, resilient, and empowered long after you return home.

Throughout our time together, I will teach Cognitive Behavioral Therapy (CBT) skills to help you recognize the powerful connection between your thoughts, feelings, and behaviors. By understanding these patterns, you'll gain tools to better manage stress and improve your mood. We will also practice simple mindfulness and self-care techniques that you can incorporate into daily life—small, sustainable habits that create lasting change.

With over 32 years of experience as a therapist, I have dedicated my life to helping others find clarity, connection, and confidence. My work is rooted in wholehearted living—embracing authenticity, courage, vulnerability, and true belonging.

As someone who believes life is about embracing the next adventure, I am honored to walk alongside you on this one.

Let this be your time to reset, rediscover your strength, and let the good times roll.

In loving health,
Andrea Young, MS LIMHP

South Shore Sunset Sail

Grounding is based on the idea that the Earth's natural electrical energy may have a positive influence on overall well-being. Rooted in the theory that the Earth's electrical charges can have a positive impact on overall wellbeing, grounding can be as simple as walking barefoot outdoors, lying in the grass, or running your fingers through the soil. Ever notice how calming gardening feels? This may be why. During our time together, we'll explore the benefits of grounding and share easy ways to incorporate it into your daily routine.

This afternoon, your adventure continues as your guide picks you up for a scenic drive to the charming Port Allen Harbor, where your catamaran cruise along Kauai's stunning South Shore awaits. This region is celebrated for its golden beaches, dramatic lava rock formations, and crystal-clear turquoise waters.

Prepare to be amazed by one of Kauai's most unforgettable experiences—a breathtaking sunset set against sundrenched cliffs and sweeping ocean views. This excursion pairs a comfortable catamaran cruise through calm, protected waters with snacks and drinks to enjoy alongside new friends. Relax onboard as you take in the astonishing coastal scenery and keep an eye out for incredible wildlife sightings. It's a beautiful moment you'll remember for a lifetime. B | S

Paradise Experience - Smith Family Luau

What is stillness? It is a calm, quiet, motionless state. Stillness soothes the nervous system, increases your ability to hear your intuition, and anchors you in the present moment. Following breakfast, Andrea will lead a fun outdoor activity with today's theme in mind.

This evening celebrate the Hawaiian spirit of aloha with the most famous of Hawaiian celebrations, the luau. Your luau is near the sacred Wailua River, once reserved for Hawaiian royalty. Receive a shell lei before enjoying a leisurely stroll through the lush 30-acre gardens. The heart of any luau is the pa'ina, the feast which centers around Kalua pig, wrapped in ti leaves and roasted in the earthen imu oven. Also on the menu: teriyaki beef, Ono (delicious) mahimahi and tasty chicken adobo. Maybe try some hula moves! Food may be the heart of a luau, but

music is the soul. Hawaiian ancestors preserved their history by passing down songs and chants called mele. Celebrate these traditions from these cultures with the Rhythm of Aloha Show. B | D

Mountain Tubing Adventure

We are in for a full day of wellness and fun! Today's theme is "How to Quiet Your Inner Critic." Before breakfast, we will learn about the importance of being kind and compassionate to ourselves. Is your internal dialogue always kind and compassionate? Would you speak to your best friend in the same way that you "speak" to yourself? Andrea will explain the long-term effects of negative self-talk and provide tools to replace it with warmth and kindness. We will use the ancient Hawaiian tradition of Ho'oponopono which is the practice of reconciliation and forgiveness. This helps you to let go of negative emotions, grudges, and fears, acting as a mental detox. So hold on to your sun hats and let's start the day!

After lunch on your own, we will depart for our Mountain Tubing Adventure in a historic ditch and tunnel system that once irrigated a vast sugar plantation. Begin with a four-wheel drive across the former sugar fields to see breathtaking views of Mt. Wai'ale'ale and waterfalls. Then float through 2.5 miles of open canals and 5 tunnels on gently flowing waters with beautiful scenery for a relaxing, fun, and fascinating experience. This evening have dinner on your own at one of a selection of walkable restaurants near the hotel. After dinner, Andrea will be available for pre-planned individual chats. B

January 15, 2027 - Friday

Day of Leisure

Start your day with words of encouragement from Andrea regarding being of service to others and how that can impact us in positive ways. Enjoy breakfast, and then enjoy a full free day to do whatever you please!

Take advantage of our beachside hotel pool, restaurant, and bar. Book an optional tour in advance or walk over to the shops and restaurants at Coconut Marketplace for some souvenir shopping. The world is your oyster! Andrea will be available for pre-planned individual chats at designated times. B

January 16, 2027 - Saturday

Heading Home

Today's theme is creating a retreat at home. As we prepare to head home after an amazing trip to Hawaii it may hit you... how will I keep this up at home? No beach, no problem. After breakfast, Andrea will talk about how to prepare a space to practice your new techniques. How to "get away" when there's no place to go and how to "staycation" at home.

Pack your bags but the fun isn't nearly over! After checking out of the hotel, we are off to experience a guided conductor-narrated train tour of the historic 105 acres of the Kilohana Plantation. This includes an animal feeding stop, a rum tasting demonstration, and a Mai Tai cocktail. We will end this amazing excursion with dinner at Gaylord's Restaurant. Full and happy we will bid Mahalo to the beautiful people of Kauai and transfer to the airport for an overnight flight home. B | D

You will arrive home on **January 17, 2027 - Sunday.**
